

Position Description

Position:	Resource Worker, Intake & Assessment (NDIS)
Reports to:	Team Leader, Intake & Assessment
Award:	Kyabra Community Association Inc. The ASU and Employees Enterprise Agreement 2012
Position Classification:	Level 4

Kyabra Community Association Inc. provides strengths based integrated responses to people in our community. Service work involves partnership with individuals and families to identify goals, develop strategies and evaluate outcomes.

This may involve a range of activities/functions including: Assessment, Advocacy, Single Sessions, Interpersonal Support Work, Co-ordination, Case Management, Community Development, and other such responses that facilitate the achievement of specified goals.

Kyabra operates an integrated model and works with individuals, families and carers with sometimes complex issues. This work may include support and advocacy through the systems which significantly impact on individual and family lives, such as; child protection; income support; housing; mental health and healthcare; disability; education and legal.

The Intake and Assessment team is responsible for providing a single point of entry for information, assessment and referral to Kyabra services and external services.

The Resource Worker will work within the Intake and Assessment team and, in conjunction with the Team Leader and other team members, will be responsible for ensuring that the following activities are carried out:

- Initial needs identification and assessment
- Provision of information to those seeking services
- Appropriate referral to internal and external services
- Single session work, where appropriate
- Recruitment and assessment of foster carers
- Organising out-of-home care placements for children referred by the Department of Communities, Child Safety
- Supporting community members to access a range of Kyabra Community Finance Initiatives.

This position involves initial phone based intake and assessment, particularly for participants enquiring about, and wanting to access, Kyabra's NDIS services. The position will be based at our Runcorn office and will also involve some outreach functions, including work at Kyabra's Richlands office. Experience in intake and assessment, particularly in the disability sector, is essential. Knowledge regarding access to the NDIS, and ability to rapidly acquire knowledge of Kyabra's NDIS services, is also essential.

Organisational Expectations

- To work within the Vision and Values of Kyabra's Essence Statement.
- To comply with Kyabra's code of conduct and with all organisational policies and procedures.
- To actively evaluate and critique practice at an individual, service and organisational level.
- To strive for ongoing improvement in all areas of activity.
- To participate in performance appraisals and the development of individual learning plans on request.
- To participate in professional development training opportunities.
- To develop and implement strengths-based, individualised approaches to families and individuals.
- To ensure that processes facilitate the maximum involvement of families and individuals in decisions that affects their lives.
- To maintain documentation in the appropriate systems with due respect to confidentiality, and in compliance with all relevant legislation and standards.

Role Responsibilities

The Resource Worker will work alongside other workers in a team that are responsible for:

- Initial needs identification and assessment of individuals, families and carers who wish to access Kyabra services.
- Provision of information to those who are seeking services.
- Appropriate referral of individuals, families and carers to internal Kyabra services or to external services, as relevant to their needs.
- Organising and carrying out Single Sessions with people for whom that is an appropriate response.
- Contributing to the development and maintenance of recruitment strategies to ensure a pool of Foster Carers who have the potential to provide quality out of home placements for children and young people.
- Utilising a range of established practices and procedures to assess potential Foster Carers who can accept referrals from the Department of Child Safety.
- Administering, maintaining and developing a number of existing agency managed community finance initiatives accessible to people living on low incomes in our geographic area.
- Supporting people accessing the community finance initiatives in identifying and articulating their needs, aspirations and abilities.
- Maintaining comprehensive information and update referral protocols for relevant external services.
- Maintaining intake related data collection to ensure accuracy & timely responses.
- In conjunction with the Quality Assurance and Reporting team:
 - generating timely and accurate reports as per service agreement requirements
 - contributing to ongoing development of integrated model administration & data collection systems to ensure compliance with Kyabra policy & procedures and QA requirements.
