

Kyabra Community Association is your community organisation. Our hope is to work with community members who wish to see a fairer, safer and stronger community. Members are an essential part of our organisation; without members, Kyabra would cease to be a legal entity.

Are you interested in becoming a member?

By becoming a member of Kyabra you can become actively involved in the life of the community and of the organisation. Members demonstrate a commitment to the vision and values of Kyabra. Membership gives you the right to vote at the Annual General Meeting, the right to nominate other members to stand for election for a position on the Executive Board, or the right to stand for election yourself.

A Membership Form is attached. ***Please note that at this point it is not necessary to have the nominated/seconded section filled out,*** however if you do know a member of Kyabra it is preferable for them to complete this section in support of your application.

Membership fees can be paid by mailing a cheque to PO Box 1103, Sunnybank Hills, Qld 4109, in person (cash, cheque or credit card) at our office at Kyabra Street, Runcorn, or via direct deposit. Membership fees are \$10 per person, \$5 concession, \$30 for businesses or organisations or reciprocal memberships. These fees are payable on an annual basis.

Your membership is a measure of support for our work at Kyabra. More importantly, it may be the first step in a partnership to build fair and safe communities.
