

42  You looked for items on special during your weekly supermarket shop, saving you \$60	43	44  You forget to turn the air con off and get a huge electricity bill	45 	46 	47  Congratulations You've managed your household budget this week.
28	29  You decide on a savings goal and write a plan of how to achieve it	30  The car breaks down and you pay \$500 for repairs	31 	32 	33  You're late paying the rent this week and your landlord is not happy!
27  You pay a water bill of \$250	26 	25 	24 	23 	22  Your children need new school shoes, costing you \$100
14 	15 	17 	18 	19 	20  You save up for a new tv instead of signing up to a rent to buy scheme, saving you \$2000
13 	12 You purchase car insurance so that you're protected in case of an accident	11 	10 	9 	8 You make hamburgers at home instead of buying takeaway for dinner, saving you \$25
1 	2 You open a bank account	3 	4 	5 	6 

Snakes and Ladders

The highs and lows of family budgeting.

Play this game with your family and friends and learn a little bit about managing a household budget along the way.

You will need:

- Print this board (and laminate it if you can so that you can play it again in the future)
- A dice
- A counter or marker for each player. Coins make great counters if you have them (and go well with learning about money), but buttons will also work.

How to play:

Each player puts their counter on the space that says 'start' and then takes a turn to roll one die; the player who rolls the highest number will be the one to have the first turn.

Throughout the game, take it in turns to roll the dice. Move your counter forward the number of spaces shown on the dice.

If your counter lands at the bottom of a ladder, you have saved money or prepared for your financial future. You can move up to the top of the ladder.

If your counter lands on the head of a snake, you have had to pay a large bill. You must slide down to the tail of the snake.

The first player to get to the end of the board is the winner.

Have fun!

This game was produced by **Kyabra Community Association** with support from **Ecstra Foundation**. Ecstra is a not for profit organisation committed to building the financial wellbeing of all Australians within a fair financial system. They work with organisations across government, community, business, education and research as part of the National Financial Capability Strategy, led by ASIC.
