

Apps to save you money

The following apps are available from the App Store or Google Play to help you make the most of your money.

Food

Half price

Just like the old paper catalogues and updated every week, this app allows you to check out the half price specials on offer from Coles and Woolworths.

Shop Fully

Compare prices and offers available at your local Aldi, Woolworths, Coles, BigW, Kmart, Target, The Reject Shop and Myer. This app also tells you the opening hours of each retailer.

Frugl Grocery

Compare prices and offers available at your local Aldi, Coles, IGA and Woolworths. Create shopping lists to keep track of what you have in the pantry and buy when on special. Able to filter out products by nutritional or allergen information.

Supermarket apps

Coles, IGA and Woolworths have apps where you can check for specials, save shopping lists, activate loyalty bonuses, check stock or place orders for click & collect or delivery. If you need a food delivery service, it can be cheaper to order an express delivery from a supermarket than via UberEats or similar services.

Super Cook

Make meals with the ingredients you already have at home. Enter the ingredients in your cupboard into the app and it will provide you with recipes from popular cooking websites that use only those ingredients. Alternatively, it can suggest a shopping list to complement what you already have to minimize waste and save time at the shops.

Too Good To Go

Save on a takeaway meal or baked goods while helping to reduce food waste. Use the map to search for nearby deals or flag favourites to get notified when food is available, pay via the app and pick up at designated time.

EatClub

Restaurants post last minute offers of up to 50% off the total bill at times when they want extra customers. Offers change frequently and can apply to dine-in or takeaway meals.

First Table

Book a table at a partner restaurant via this app to receive a 50% discount on food orders for 2-4 diners. Bookings are generally for earlier in the dining service, before the peak period. Booking fee applies.

Transport

RACQ Fuel & Deals

Compare prices across multiple fuel retailers close to your location, allowing you to find the cheapest place to fill up your tank. This app can even give you directions to the petrol station! RACQ membership is *not* required to use this the fuel price comparison feature of this app. Note: fuel information is only available for selected parts of Queensland.

PetrolSpy Australia

Australian made app to report and compare real time fuel pricing and monitor the price cycle across many fuel brands and locations around the country. Notifications available to let you know when the best time is to buy unleaded fuel.

Fuel Map Australia

A crowd-sourced database of petrol stations and fuel prices throughout Australia. This app also includes a fuel log to help you keep track of fuel purchase and your vehicle's fuel economy.

Motor Mouth

Find the cheapest petrol near you and view market forecasts to find out where and when to fill up. This app relies on community members to upload current fuel prices and is available throughout Australia.

My 7 eleven

Check the price at nearby 7-Eleven petrol stations and if it's looking cheap, lock that price in for 7 days. You can then fill up any time in the next 7 days for the locked in price, or pump price, whichever is cheaper. Pay in app is also available.

Scan Pump Save

Scan the QR code on the pump at Reddy Express or OTR petrol stations to unlock instant savings of 2c-20c/litre and pay via the app to avoid instore temptations.

Entertainment

Borrow Box

Use your local library membership details to borrow eAudiobooks and eBooks via this app at any time. You can reserve, borrow and renew loans, and when the book is due back, it simply disappears from your device, avoiding fees for late returns or lost books.

Libby

eBooks, audiobooks and emagazines can be borrowed from your local library using this free app. Books can be downloaded to read offline and like Borrow Box, returns happen automatically to avoid the risk of late fees.

Eventbrite

Search for, share details and book tickets to events around Australia, including online events. Results can be filtered by date, location or category to find something that matches your interests, and you can even filter to show free events only.

TodayTix

Get the best prices on theatre tickets at a range of venues in Brisbane.

Seniors Discount Club (SDC) and Seniors Savings Directory

Discover more than 20000 deals and discounts for over 60s including savings on dining, shopping, travel and leisure. Enjoy free games, jokes and a daily newsletter.

Money Management

Australian Taxation Office (ATO)

Record and manage work related expenses, receive reminders about important tax and superannuation payment or reporting dates and access calculators to make tax time easier. This app is suitable for people working as employees or sole traders.

GoodBudget

Make virtual envelopes to keep track of your budget and spending. Add funds to each categorized envelope and enter details of everything you spend. Can be synced and shared with household members.

Banking apps

Each bank has their own app with varying features. Get to know your banking app. It's a place to access statements and transaction details and may also analyse your spending habits, allow you to set savings goals and gather rewards points or bonuses. You can also notify the bank of a lost debit/credit card, change your PIN and control usage such as barring gambling or overseas transactions.

Changing Habits

My QuitBuddy

Designed to support you to quit smoking or vaping, either now or as a goal for the future. It provides tips and distractions to overcome cravings and systems to track your progress.

Quit That! (iOS only)

This free app tracks habits that you are trying to quit, such as smoking or unhealthy foods. The app provides encouragement by counting how many hours, days and weeks it has been since you quit your bad habit and how much money you've saved along the way. You can also add notes and affirmations for yourself or schedule a future quit if you're not quite ready to make a change.

Digital Wallet

Avoid getting caught without your ID. Medicare and Centrelink cards are available on the myGov app. Queensland Transport has a Digital Licence app. Loyalty cards and event tickets may also be saved to the wallet on your phone.

Stocard

Keep all of your loyalty cards (Everyday Rewards, Flybuys, Myer One etc) handy in this app to collect points and take advantage of special offers without the need to carry the plastic cards in your wallet.

Shopback

Earn cashback when you shop online or purchase gift cards from some of Australia's largest retailers.

Information in this sheet has been collated by Kyabra Community Association in September 2020, updated April 2026.

Kyabra is not affiliated with any app developers or brands represented in abovementioned apps. We have included details of apps here based on recommendations from individual staff and community members. We encourage you to read the terms and conditions of all apps before downloading to make sure you are satisfied with the security of your personal data.
