

Hi, my name is

Shyanne.

I am in the third grade and live in an apartment with my Mom. I never knew my dad and I don't have any brothers or sisters. I'm small for my age and am usually pretty quiet. There was a time that I was so quiet and shy that other students at my school made fun of me.

Find The Missing Words

What does it take to be friendly?

Find the characteristics of a good friend. Then tell how you would show this characteristic to others.
